SUBJECT : SOLIDARITY CAMPAIGN FOR NORDECO ON FEBRUARY 4, 2025

Greetings of Peace and Solidarity from PHILRECA!

The Northern Davao Electric Cooperative, Inc. (NORDECO) continues to face significant challenges as private entities seek to expand their operations into its service area. The ongoing efforts to grant an expanded franchise to Davao Light and Power Company (DLPC) pose a serious threat to NORDECO's mandate, the integrity of the electric cooperative model, and the welfare of its member-consumer-owners (MCOs).

As the national organization representing all electric cooperatives, PHILRECA remains steadfast in its commitment to protecting the rights of its members and resisting attempts to privatize essential services for profit. This is not just about NORDECO, this is about ensuring that electric cooperatives remain MCO-driven, sustainable, and dedicated to rural electrification.

In this regard, we are calling on all electric cooperatives, employees, and stakeholders to take part in the **Solidarity Campaign for NORDECO on February 4, 2025 (Tuesday)**. Let us unite in a collective stand against private for-profit takeovers that threaten the future of the electric cooperative sector.

The schedule of the activities for the solidarity campaign for NORDECO are the following:
