POWERXCHANGE

SUBJECT : SUBMISSION OF THE POST-ACTIVITY
REPORTS RELATIVE TO THE 2025 NRECA POWERXCHANGE

Greetings of Peace and Solidarity from PHILRECA!

PHILRECA extends its appreciation to all participating electric cooperatives (ECs) for their active engagement in the recently concluded 2025 NRECA PowerXchange in Atlanta, Georgia.

In this regard, all delegates are expected to submit their **individual post-activity reports** detailing key takeaways, lessons learned, and potential applications of the knowledge gained from the event. This will provide valuable insights on the best practices, innovations, and policies transpired during the event that can contribute to the continued growth and modernization of the rural electrification sector in the Philippines.

We encourage timely submission of the reports not later than **April 25, 2025 (Friday)** to ensure that valuable insights are documented and shared to the National Electrification Administration (NEA), PHILRECA, and your respective ECs.

For other issues and concerns, you may reach us at philreca.nrecaconvention@gmail.com or at 0917.110.8751 / 0916.266.6888.

Thank you for your cooperation and commitment to advancing the rural electrification movement.

Power On!

Respectfully yours,
