

PHILRECA and BENECA conclude its successful Optical and Medical Mission in South Drive, Baguio City

March 3, 2025

Baguio City, Philippines - The Philippine Rural Electric Cooperatives Association, Inc. (PHILRECA) and the Benguet Electric Cooperative (BENECA) concluded its successful optical and medical mission for the member-consumer-owners (MCOs) in South Drive, Baguio City.

The joint initiative forms part of the Corporate Social Responsibility (CSR) project of PHILRECA together with BENECA. This event paved the way for hundreds of member-consumer-owners (MCOs) to receive free optical and medical checkup.

“It is our utmost honor to attend to the medical needs of our MCOs in South Drive, Baguio City,” PHILRECA stated. “This project will not be possible without their proactive participation and support to BENECA.”

Through this initiative, the Association and BENECA closely worked with volunteer doctors and optometrists to provide free medical services to all walk of ages.

PHILRECA envisioned this project to further foster the sense of community and solidarity between the MCOs of Barangay South Drive and BENECA. This optical and medical mission aims to create impactful value to the community and promote health and wellness of MCOs.
